

Financial Peace University Classes Begin January 19

This life-changing class taught by Dave Ramsey and the FPU teaching team on video and coordinated by Pastor Rick Schauer at Trinity will help you by showing you how to eliminate debt, save for the future, and give like never before. FPU is a 9-week program that empowers and teaches you how to make the right money decisions to achieve your financial goals and God's plan for your life.

A newly-revised series will be taught beginning in January with new videos and updated participant books and tools. FPU can be the most important step to changing your financial future. Based on over 800 Scripture verses, it takes the knowledge from God and turns it into real action in our lives through a step-by-step process.

FPU classes meet weekly on **Saturdays, 10–11:45am, January 19–March 16**. For the first half of the class, Dave Ramsey teaches a video lesson. During the second half, class members come together for a small-group discussion and hands-on activities. Group members support and encourage each other as they work to change their financial futures.

The cost per household has two options:

- The annual option is \$109 for the first year, then \$99.99 per year after. This is the most economical option.
- A new monthly option is \$9.99 per month after a one-time \$69 activation fee. Please note that over 12 months, the total cost for the first year will be \$178.89. The 2nd year on would be \$119.88 total.
- You can also convert an annual membership to monthly prior to an annual renewal date if you plan to discontinue your active membership before a full year's usage for the following year.

Previous class participants who still have their activation code can attend for free and take personal notes with the new series. Or for a special upgrade cost, the new membership kit can be purchased. Please contact [Pastor Rick Schauer](#) if you need more information.
