

Trinity Parent-Student Handbook

During the last faculty meeting of the 2019-20 school year, several handbook polices were discussed, revised or added to the handbook. Listed below are the policies which were passed to be effective for the upcoming 2020– 2021 school year.

Please be sure to review these policies so that you are familiar with the updates and have the necessary information to successfully complete this school year.

It is the responsibility of the administration and Trinity’s teaching ministers to enforce these polices. To that end, we need your cooperation. If a student is disciplined for not following any school policy, we need all parents to be cooperative and respectful to our dedicated staff and supportive of their decision. Every policy is designed to create a positive and Christian learning environment with the best interest of all our students in mind.

If you have any questions regarding this information, please contact the Trinity’s Administration.
